

## **9<sup>th</sup> HAI Hand Hygiene Day Celebrations At The Park New Delhi**

The Team at The Park New Delhi with a vision to create awareness on importance of washing of hands as an effective way of promoting public health and wellbeing and to spread the message **"Take a stand, wash your hands."** and Theme **"Together we can"**. undertook the following initiatives :

- Created an environment in the hotel conducive to the Hand Hygiene Day's significance with displays, videos and posters.
- Organised distribution of Sanitizers by setting up a counter outside the Jantar Mantar to General public and to team members.
- Encouraged drivers of Buses/ Rickshaws / Taxis to practice frequent washing of hands & keeping sanitizers in the vehicle & ensuring that door handles and interiors are kept well sanitized.
- Organised hand washing technique training for all the team members.

The tremendous response received was delightful and heartwarming. The hotel is proud to support and promote healthy environment for current and future generations and be known as a "healthy hotel".
