OFFICE MEMORANDUM

As you are aware, the Ministry of Tourism, Government of India has undertaken several confidence building measures with a view to giving a boost to the tourism industry in the aftermath of the global economic slow down.

2. The MICE segment, which has emerged as a substantially high component of growth in inbound tourism, can indeed play an important role in countering the impact of the global economic meltdown. Most countries constantly endeavour to attract MICE clientele through bids for various International Conventions/Conferences/Seminars and the like. As per the existing scheme being implemented by the Ministry of Tourism, Indian societies/members are only entitled to bid for bringing the international conferences of these larger international associations to India.

3. In order to give a boost to the MICE tourism and to bring international conferences to India,, Ministry of Tourism has decided to extend the benefits under Market Development Assistance scheme administered by the Ministry of Tourism to 'Active Members' of India Convention Promotion Bureau(ICPB) towards bidding for International Conferences/Conventions, thereby bringing more MICE business to the country. An active member is a recognized member of ICPB. Under the scheme, associations/societies would be given financial support on winning the bid or for obtaining second and third positions in the bidding process. Based on the number of participants attending the conference, the financial support has been divided into two categories as follows:

i) In Category I, the winner of the bid bringing in a conference of 500 persons and above will get financial assistance to the tune of Rs. 4.5 lakhs, whereas bidders who stand at second or third positions will be given an assistance of Rs. 1.5 lakhs.

ii) In Category II, the winner of the bid bringing in a conference of 200 to 500 persons will be eligible for financial assistance of Rs. 2.50 lakh where as the bidders at second or third positions will be awarded a financial assistance of Rs. 1.00 lakh. Back-ended subsidy/financial assistance will be provided to an association/society for bidding and winning the conference.

The copy of the guidelines is enclosed for your information. It is hoped that the revised scheme will be found useful and will be made full use by you to make it a success.
