

Chalet Hotels Limited celebrates Hand Hygiene Day with Awareness Drives Across Properties

9th HAI Hand Hygiene Day : May 05, 2023

Chalet Hotels Limited commemorates Hand Hygiene Day with Awareness Drives Across Properties

Chalet Hotels Limited participated in the 9th Hand Hygiene Day on May 5th, 2023, with multiple measures to raise awareness through the course of the week beginning from May 1st, 2023. The key highlight of this initiative included the distribution of 200 hand sanitizer bottles to Brihanmumbai Municipal Corporation (BMC) workers who support the hygiene efforts in the areas around the hotel.

The 'HAI Hand Hygiene Day' was launched by the 'Hotel Association of India' (HAI) on May 5th, 2014, to create public awareness about the importance of frequent washing of hands in promoting community wellbeing. As a member of the association, Chalet properties in Mumbai, Navi Mumbai, and Khandala curated a special program to support the HAI initiative.

Activities Conducted During Hand Hygiene Week Celebrated by Chalet Hotels

Activities in Guest Areas of Hotels

1. Awareness in washrooms – Lobby Awareness signages
2. Hand sanitizing video was played in lobby
3. All conference started with awareness video
4. Sanitizer dispensers placed across the hotel
5. Ola Uber tourist cars coming to the hotel for guests provided with hand sanitizer and hand hygiene leaflet

Activities with Hotel Associates

1. Awareness board making competition was organized across all departments
2. Hand sanitizing video played in staff cafeteria
3. Distributed sanitizers to the BMC workers who visited hotel to clean the garbage and spread awareness
4. Posters were displayed at associate entrance and back areas for awareness
5. Alarm were set at particular intervals to remind chefs to clean and sanitize their hands
6. For vendors visiting the property, awareness about hand washing was created
