itcrajputana This World Environment Day, upholding the ethos of #ResponsibleLuxury as we have #OnlyOneEarth, let us secure the future of our planet through mindful practices and eco-conscious choices. Invested in the vision of curating world-class luxury experiences with conscience and in harmony with nature, here's a look at some of the green initiatives of Responsible Luxury at ITC Rajputana:

- \* First LEED Platinum certified Hotel in Rajasthan
- \* Use of renewable energy sources
- \* Reducing water wastage
- \* Locally sourced ingredients
