

28th HAI ENVIRONMENT DAY

05 June 2026

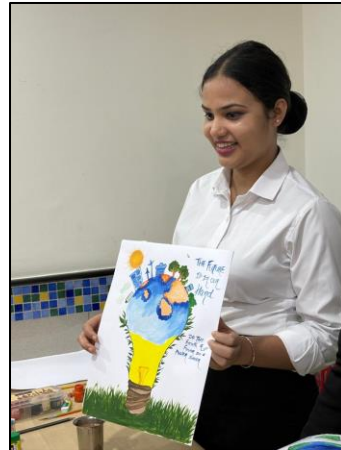

ITC HOTELS LIMITED

ITC Hotels Limited Celebrated the 28th HAI World Environment Day

This year's theme for the World Environment Day is "***Climate Action***" and all ITCHL Units celebrated the day by carrying out a plethora of initiatives to spread awareness and encourage active engagement from one and all to be "***Inspired by Nature. For Climate. For our Future***"

Some of these initiatives were; Afforestation with various units planting saplings, Nature Walks, promoting Responsible consumption through creative food menus, upcycling & recycling waste into artworks, educating students on the importance of climate action, conducting cleanliness drives with waste collection & segregation, amongst others.
