Events & Activities

World Environment Day 2026

World Environment Day is celebrated on 5th June worldwide every year by United Nations as a reminder of our responsibilities to preserve, protect and restore our environment.

To mark the occasion, the team at Wildflower Hall- A Unit of EIH Ltd. organized and actively participated in various initiatives and activities aimed at raising awareness about the importance of conserving and safeguarding our planet's ecosystem.

Plantation Drive at the Hotel Premises with guests

No Environment Day celebration is complete without the planting of saplings, reaffirming our commitment to protect the environment and, in turn, preserve our planet.

Our Team marked Environment Day with a plantation drive within the hotel premises, inviting resident guests to be a part of the initiative. The guests enthusiastically joined the team members in planting several saplings, making the occasion both meaningful and inclusive.

Invitation for Team Members Participation

An invitation was extended to all departments, encouraging their active participation in both the plantation and cleaning drive. Team members enthusiastically came together to contribute their efforts, reflecting a strong sense of responsibility towards the environment. The initiative not only fostered teamwork but also highlighted the importance of collective action in creating a cleaner and greener workplace. Through this activity, employees were motivated to adopt more sustainable practices in their daily lives and contribute towards a healthier environment.

World Environment Day

The Oberoi, New Delhi, celebrated World Environment Day by organizing plantation drives.

We took the opportunity to spread the joy and awareness with two NGOs the Blind Relief Association, New Delhi and SOS Village, Bawana.

Blind Relief Association, New Delhi :

Team members from various departments collaborated to plant a Terminalia Mantaly tree along with climber plants such as Bougainvillea, promoting greenery and environmental sustainability. Team TOND played an active role by transporting the plants to the NGO premises. Staff, students from the Blind School, and hotel team members enthusiastically participated in the plantation drive.

SOS Village, Bawana :

The hotel team along with the gardeners visited the NGO in Bawana to conduct a plantation and environmental awareness drive for school children. During the activity, a Rangoon s sapling was planted, and the team educated the children about the importance of environmental conservation, encouraging them to care for nature. This initiative served as a meaningful step toward raising awareness and contributing to a greener, healthier environment.

On World Environment Day, let's commit to building a greener, cleaner, and healthier future—one step at a time

This World Environment Day, let's take action for a greener planet and a healthier tomorrow!

World Environment Day Celebration at Trident, Agra

Trident, Agra marked World Environment Day on June 5th with a meaningful and hands-on initiative, bringing together team members to reinforce their commitment to sustainability and environmental stewardship.

The celebration saw enthusiastic participation from associates across various departments, who gathered within the hotel's lush green premises. The team proudly showcased a "World Environment Day – June 5" banner, setting the tone for the activities focused on environmental conservation. A key highlight of the event was a tree-planting drive, where team members actively engaged in planting saplings across the property. The initiative aimed to enhance green cover, promote biodiversity and contribute towards a healthier ecosystem. Participants also took part in nurturing existing plants by watering and maintaining landscaped areas, demonstrating collective responsibility towards preserving nature.
