

Where Care Takes Roots

To commemorate World Environment Day, **Ramada by Wyndham Raja Park Jaipur** undertook a meaningful green initiative with a tree-plantation drive around the hotel premises.

More than just planting saplings, our team pledged to nurture and care for them, recognizing that every tree planted today contributes to a healthier, greener future. Team members actively participated in planting and watering the saplings, symbolizing our commitment to environmental responsibility and sustainable growth.

This initiative reflects our belief that small actions can create a lasting impact. By investing in nature today, we are helping build cleaner air, greener surroundings, and a better tomorrow for future generations.

At Ramada by Wyndham Raja Park Jaipur, sustainability is not just a commitment—it's a responsibility we proudly embrace, one tree at a time.

WORLD ENVIRONMENTAL DAY

Wyndham Grand Udaipur Celebrates World Environment Day with Large-Scale Sustainability Initiatives 🌿

Udaipur, Rajasthan – Reinforcing its commitment towards environmental sustainability and responsible hospitality, Wyndham Grand Udaipur commemorated World Environment Day with a series of impactful green initiatives and community-driven activities aimed at creating a cleaner, healthier, and more sustainable future.

Speaking on the occasion, Vishal Kapoor, Vice President – Operations, stated, “At Wyndham Grand Udaipur, sustainability is not merely an initiative; it is a responsibility and commitment that we proudly uphold every single day. Environmental consciousness is deeply integrated into our hospitality philosophy, operational practices, and community engagement efforts.”

Every year, Wyndham Grand Udaipur organizes large-scale environmental initiatives that witness enthusiastic participation from nearly 3,000 to 4,000 individuals, including community members, wellness enthusiasts, NGOs, and the hotel’s dedicated team members. This year’s celebrations marked another significant milestone, with collective efforts contributing towards the plantation of over 1.4 lakh saplings, further strengthening the region’s green cover and supporting long-term ecological conservation.

As a proud pure vegetarian luxury hospitality destination, the hotel also ensured the availability of wholesome vegetarian meals, healthy refreshments, and nutritious beverages for all participants, reflecting its philosophy of mindful, sustainable, and wellness-oriented hospitality.

The World Environment Day celebrations featured a wide range of engaging wellness and environmental activities, including:

- Marathon & Fitness Runs
- Zumba & Wellness Sessions
- Group Exercise Activities
- Community Participation Drives
- Tree Plantation Initiatives

Beyond World Environment Day, Wyndham Grand Udaipur continues to actively champion sustainability throughout the year through several impactful initiatives such as:

- Fateh Sagar Lake Cleaning Drives
- Support towards Fateshwar Mahadev Mandir Restoration
- Water Conservation Programs
- Sustainable Hospitality Practices
- Community Cleanliness & Environmental Awareness Drives in association with NGOs
- Green Plantation & Maintenance Initiatives
- Eco-Conscious Employee Engagement Programs

The hotel firmly believes that every small step towards sustainability contributes to a larger and lasting positive impact on society and the environment. Through consistent efforts, responsible operations, and active community participation, Wyndham Grand Udaipur remains committed to building a greener, healthier, and more environmentally responsible future for generations to come.

“True luxury lies in responsible living and mindful hospitality,” added Vishal Kapoor. “As hospitality professionals, we have both the opportunity and responsibility to inspire positive environmental change through collective action.”

Wyndham Grand Udaipur continues to set benchmarks in sustainable luxury hospitality while inspiring communities to actively participate in protecting and preserving the environment.

**We Need Your Hand
for a Better Future**

Thanks for your email , Yes Wyndham Ahmedabad, Shela undertook several initiatives to celebrate World Environment Day and promote environmental sustainability. The activities included:

- 1. Tree Plantation Drive:** Employees and management participated in planting saplings within and around the hotel premises to enhance green cover and contribute to environmental conservation.
- 2. Awareness Campaign:** Educational sessions and displays were organized to raise awareness among staff and guests about environmental protection, waste reduction, and sustainable practices.

3. Cleanliness and Waste Management Drive:

Housekeeping and operational teams conducted a cleanliness campaign and strengthened waste segregation and recycling efforts across the property.

4. Energy and Water Conservation

Measures: Special emphasis was placed on conserving electricity and water through operational best practices and guest participation programs.
