Classification | Internal

NO PAPER PRINTING DAY

No paper printing day was celebrated in the hotel wherein the back of the house team was encouraged not to take the print outs and communicate on mails or telephonically. It was a big success and the team participated wholeheartedly.

Classification | Internal

A walk was conducted for the team into the water catchment sanctuary. The team was educated regarding the importance of trees in the environment by our naturalist. The team also got an opportunity to gain insight into the various flora and fauna around Wildflower Hall.

Environment day

SAPLING PLANTATION BY GUESTS

The guests staying in the hotel also participated enthusiastically in the plantation of saplings done in the premises of Wildflower Hall.
