Celebrating The World Environment Day, 2015

We at Trident, Nariman Point & The Oberoi, Mumbai celebrated The World Environment Day on 5th June 2015 by organizing a host of activities to create awareness towards protecting and preserving our home among team members.

The theme for 2015 was '*GREENING THE BLUE*', which is about how the well-being of humanity, the environment and economies ultimately depend on responsible management of the planet's natural resources.

THE GREEN DAY : 5th June, 2015

On the 5th June, The World Environment Day, we started the day at 7.00 am by 'Talk Green...Walk Green' with team members in order to promote awareness about the importance of "clean and green environment". We walked 2000 m at the Marine Drive which was refreshing and stimulating for all of us.

During the day we did a ‘Plant a sapling’ drive with the team members children, who planted saplings at a nursery located at the Trident Pool Garden.

The event also started buzzing at Beehive, our cafeteria during the meal periods.

Posters and tent cards on the tables : We spread the word through interactive posters talking about the importance of the World Environment Day. We also displayed the ‘Environment Day Anthem’ tent cards on the dining tables. The Anthem is by poet-diplomat Abhay K was launched in June 2013 on the occasion of the World Environment Day by Kapil Sibal and Shashi Tharoor, Union Ministers of India at a function organized by the Indian Council of Cultural Relations in New Delhi.

Green Corner : A separate corner displaying the themes of Environment Day was created at the entrance of the cafeteria which displayed the following :

- History and information on World Environment Day
- Themes of World Environment Day
- Knowledge on growing Indoor / Outdoor plants and on medicinal properties of some common home plants such as Tulsi, Aloe Vera etc.
- Green Planters

Videos: Short videos on ‘Importance Of Creating Green and Clean Environment’ were played during tea / lunch breaks.

The day ended with an exciting Interdepartmental Poster making competition. The theme being ‘GREENING THE BLUE’. All colorful posters were displayed at the Beehive, our cafeteria alley. The posters were judged by our Housekeeper

and Engineer where the participants explained the true meaning of their depictions and understating on the theme. Top 3 posters were declared Winners.

We also conducted an exciting quiz at the evening tea time at Beehive, where 20 questions related to Environment Day were asked. It created a great hype in the team and **Green Tea were gifted as gifts.**

We commit to a sustained effort to educate our team members with regards to the importance clean and green environment.

WORLD ENVIRONMENT DAY

05th JUNE 2015

A pair of hands, one from the left and one from the right, are shown holding a small, green, grassy globe. A small, lush green tree with a dark trunk is growing out of the center of the globe. The background is a soft, out-of-focus grey.

Small Contributory steps

We at The Oberoi Vanyavilas are strong believers in the notion of not saving the environment on one day but making sustained efforts to protect and sustain it on a daily basis.

On the occasion of 05th June being the environment day, the team got together again and took some steps which would contribute towards prolonging the value of the areas.

Activities for 05th June

- **Clean the Environment:** The team got together to clean the STP area in the hotel as that area has a lot of leaf shedding.
- **Composting:** The cleaning drive culminated in the team carrying the waste leaves and sticks and adding it to the pile of existing compost.
- **Sapling Plantation:** The team planted 15 new plants in the property.
- **Guest Activity:** Sapling plantation for the guests was done.
- **Theme Lunch:** A menu pertaining to the theme was created for the team during lunch.
- **NO Smoking Day:** Today the team played their part by not smoking for the duration of the working day and reducing the smoke level in the environment.
- **Contractors Awareness Session:** The contractors were made aware of ways in which they could contribute to the environment.
- **Best out of Waste:** An activity was organized for the team to come up with creative ways to use waste and to create slogans that would depict the preservation of the environment.

NO SMOKING DAY IN THE HOTEL

Looking for motivation to quit smoking? Just look into the eyes of your loved ones and ask yourself if they deserve to die because of your second hand smoke.

YOUR CRAVING IS TEMPORARY BUT THE DAMAGE TO YOUR LUNGS IS PERMANENT WHICH SUFFERING WILL YOU CHOOSE?

vishesmessage.com

DEAR ALL,
A SMALL CONTRIBUTION FROM ALL OF YOU TODAY, OF NOT SMOKING SHALL LEAD TO A CLEANER AIR/ENVIRONMENT

Burn Calories, not cigarettes.

This should make you want to stub out that cigarette! No wonder the health effects of smoking are so severe! Start your quit smoking resolution now!

Smoking does not make you a KILLER per se, but your heart will drown in GUILT if second hand smoke gave someone in your own family a life-threatening disease. Save a lifetime of regret – quit today.

World Environment Day

On World Environment Day, team Amarvilas also put their bit in creating awareness to protect our nature and the planet Earth. With Team Trident Agra, early morning we done green march till Taj Trapezium Zone with an environment day slogans, which aims to emphasize the importance of protecting our planet. Everybody was in a green attire, reaffirming the pledge to protect environment and make the planet cleaner and greener. After reaching Taj Trapezium Zone everybody planted one sapling in the forest land in collaboration with the Forest Department with a motive of spreading awareness for the clean and green environment.

Later at 11:00 am Poster Making competition was organised, where Children of employees had participated enthusiastically. Little kids painted their imagination over the canvas and the theme was “Save Our Environment”. They thoroughly enjoyed the whole competition. Out of two age group categories, 3 winners from each category were announced. Certificate of Appreciation was given to the children for their active participation.

In the evening team Amarvilas took an initiative to help the gardeners to show their appreciation towards them in maintaining the green covers in the hotel. Also a 'Green Movie' was screened for employees, again with the idea of creating the awareness on World Environment Day.

Entire day was the tribute to the World Environment Day: Preservation, Rejuvenation and Restoration of environment are on top priority for us.
