

World Environment Week Celebration – June 1st to 5th 2015

The Gateway Hotel , Church Road , Coonoor

World Environment Week Celebration

June 1st to 5th 2015

The vibrant, enthusiastic and excited team of The Gateway Hotel Coonoor drew a week long activity schedule and planned them from early May. The activities planned suited both young and old alike. Some of the activities drawn were “WED awareness creation” among associates and guests, Drawing competition for the guests and associates’ children, Slogan contest for the associates , Distribution of tree saplings to all the guest departing from the hotel throughout the week, Planting of the Tree Saplings in the Hotel and neighborhood premises, Vehicle emission check for the owned cars and motorcycles of Staff Guests and Neighbors and a Study tour for the “Arignar Anna” Government Higher Secondary School students related to the hotel’s best practices and measures taken to safe guard the environment.

WED Awareness among associates and Guests

- An awareness session on the World Environment Day was conducted by the HOD team to benefit all staff members. Attractive and detailed posters were made for the display of WED awareness in all back of the house and public areas. The Chief Engineer Mr.Sagayanathan conducted a session on the different types of pollution and their effects to the environment. This session was followed by the HR manager Mr.Anthony Gerald's talk on the contribution by every individual to safe guard the environment and passing the legacy to the generations to come. He also obtained verbal commitments from all staff on their role and responsibility towards saving the environment. HODs from other departments also shared their views on this subject. The awareness session was concluded with the note of the General Manager Mr.R.Muralidharan on his overall expectation from the team and his personal promise to be in action in all environment related activities.

Drawing competition for the Guest and Associates' children

- A drawing competition was conducted for the Guest and associates' children. The children were placed under two groups based on their age. The junior group consisted of children between 3 and 7 years and the senior groups was formed with children in the age group of 8 and 15. There were two themes given to these groups.
- Junior Category-“Save the Earth”
- Senior Category-“Clean & Green Earth”
- The Junior Category had 20 children and the Senior Category had 17 children participating. The top three winners in both age groups were selected by Mr.Gokul a popular and well known artist from Kotagiri. He obliged to our request for this universal cause.

Tree Saplings brought from the Forest Department on 3rd June 2015

Tree plants brought from the Forest Department on 4th June 2015

The Gateway Hotel , Church Road , Coonoor

Distribution of Tree and plant saplings to all Guests at departure

- The Tree Saplings that were collected from the forest department and the other plant saplings were presented to all Guests while they were departing from the hotel. Some of the saplings distributed were Jamun ,Sevanthi , Lime , Guava ,Pepper and Cinnamon and a variety of jungle trees. These saplings were gifted to the Guests personally the General Manager and Front Office Manager. All Guests were very appreciative of our gesture and expressed their happiness in being part of the WED initiative.

Study tour for the Arignar Anna Government Higher Secondary School

- As an initiative in order to create awareness among the future generation the Students of “Arignar Anna” Government Higher Secondary School were invited by the HR Manager and Executive Chef to join during the World Environment day celebration. As per the invitation the students joined in the WED celebration and were taken around the property and explained the best practices that are being followed in TGH Coonoor. The students learnt all aspects of the hotels role in safeguarding our Environment and how pollution is minimised. Followed by this an awareness session was conducted on the overall WED programme. Tea and snacks were offered to the Students before closing the session
