Dining:

Panaroma - Imagine a place where the cool air bites fresh while the sun warms your skin. Where you're surrounded by a view of lush hills, as well as the aroma of freshly-prepared pizza. But why leave it to your imagination? Come dine with us at Panorama, our authentic Italian restaurant.

@ Diner - Our signature all-day dining restaurant, widely recognised among the best restaurants in Khandala, takes you on a delicious journey from breakfast to dinner to dessert. There's so much to savour, you'll be extending your stay (and loosening your belt) just to be able to do it justice.

The Dukes Bar - Find yourself surrounded by well-crafted beverages and a bartender who knows exactly when to offer wisdom and when to simply refill your glass. Maybe you're here to mark a moment, or maybe you're here to forget one. Whatever brings you in, The Duke's Bar makes sure you leave a little lighter, a little brighter.

Sky Deck - Up here, above it all, the stars feel a little closer. With a gentle breeze and a splendid view, one can't help but feel that, for this moment at least, all is right with the world.
