#BEATPLASTICPOLLUTION

In order to support this year's World Environment Day theme '**Beat Plastic Pollution**', The Leela Mumbai presented the guests with eco-friendly cloth bags.

Keeping this objective in mind, to promote this thought amongst the employees as well, The Leela Mumbai presented them with environmentally friendly cloth bags.

With 11 acres of lush landscaped gardens, it takes a team of dedicated professionals with a deep commitment towards conserving nature to help us keep our environment green. Like each year, The Leela Mumbai saluted its team of gardeners.
