Environment Week Celebrated at The Oberoi, New Delhi

Date	Activity	Details
Monday, 03 June	Green Badge Distribution	Green Badges were distributed to Managers and team members to inaugurate the Environment week celebrations at The Oberoi, New Delhi.
	Disposable Mask Distribution	The theme for this year's World Environment day celebrations as mentioned by the UN was " Air Pollution". In keeping with this theme Disposable masks were distributed to team members to generate awareness about the same.
	Awareness session on Air Filtration System of the hotel	Daily practical sessions were conducted for team members to better understand the new Air Filtration system installed at The Oberoi, New Delhi. This system offers the cleanest air to all who are within the premises of the hotel.
Tuesday, 04 June	Sapling plantation and Seedling packet distribution	Managers and team members planted the saplings in key outdoor areas of the hotel. Seedling packets were also distributed to all with the idea of encouraging team members to increase the green cover in their personal spaces as well.
	Inter- Department Jingle competition	The competition was based on this year's theme 'Air Pollution'. Team members participated enthusiastically and they came up with entertaining and meaningful songs and posters.
	Awareness session on Air Filtration System of the hotel	Daily sessions were conducted for team members to better understand the new Air Filtration system installed at The Oberoi, New Delhi. This system offers the cleanest air to all who are within the premises of the hotel.
Wednesday, 05 June	Green Day @ Cafeteria	Keeping in sync with this year's theme of "Air Pollution", the tandoor's were not operated for a entire day at the Cafeteria. A variety of Green dishes were also served to the team members.
	Save environment AV	Informative audio visuals were played on team corridor television. Different AVs were played through the day.
	Awareness session on Air Filtration System of the hotel	Daily practical sessions were conducted for team members to better understand the new Air Filtration system installed at The Oberoi, New Delhi. This system offers the cleanest air to all who are within the premises of the hotel.
Thursday, 06 June	Inter- Department Best-out of Waste Competition	Team members came forward and participated enthusiastically to showcase their creativity using Waste material. Articles like candles, robots, bags etc. were made using only waste material such as fruits, boxes, news papers, plastic bottles etc.
	Awareness session on Air Filtration System of the hotel	Daily practical sessions were conducted for team members to better understand the new Air Filtration system installed at The Oberoi, New Delhi. This system offers the cleanest air to all who are within the premises of the hotel.
Friday, 09 June	Cleanliness Drive	Cleaning drive was undertaken to clear the areas outside the hotel of any plastic and debris.
	Awareness session on Air Filtration System of the hotel	Daily practical sessions were conducted for team members to better understand the new Air Filtration system installed at The Oberoi, New Delhi. This system offers the cleanest air to all who are within the premises of the hotel.
	Inter- Department quiz competition	An engaging Climate Change Quiz was organised for team members that ended the celebrations on a high note.

World Environment Day
The Oberoi Grand Way

The Oberoi Grand, Kolkata celebrated the world environment day from June 01, 2019 to June 04, 2019

Day 1: On this day we put up posters of "No Dustbin Day" in the cafeteria.
We ensured there was a vegetarian menu and with no dustbins in the cafeteria which minimized wastage of food.

Day 2: We had a slogan making competition, all team members were requested to in put their slogans on World Environment Day. The best slogan was then given a prize.

"If you treat me better, I'll take care of you forever"- was the best slogan

Day 2: All Executives were encouraged to either travel by carpool or use public transport.

A few of our executives also chose to cycle to work.

Day 3: There was an inter house collage making competition .

All houses were given magazines from which they were to make a collage

22nd HAI WORLD ENVIRONMENT DAY CELEBRATIONS - 5 JUNE '19
AT TRIDENT AGRA

To commemorate the World Environment Day, with an endeavor to promote a healthier and green environment, Team Trident, Agra enthusiastically conducted the following activities on June 5, 2019:

Distribution of World Environment Day - To create a conducive environment, World Environment Day Badges were distributed to all employees who wore them with great pride.

Badge

Participation in the "Green Walk" Along with Team The Oberoi Amarvilas , Trident associates walked in the city for a sapling plantation drive. Local police also participated in the event.

Here are a few glimpse of the event :

We Care

World Environment Day at Trident, Chennai

On the occasion of World Environment Day, Team Trident, Chennai did a green walk with placards around the periphery areas of the hotel in order to spread awareness, about the importance of “clean and green environment” to public. Later, ‘Saplings plantation’ activity was done by the team members in and around the Hotel.

A Special Green Theme Lunch was served in the staff cafeteria and a series of short movies were telecasted explaining about Air Pollution (theme of the Year 2019), Global warming and Plastic pollution. Individual saplings and recyclable writables were distributed to the hotel patrons and team members. Guests expressed their happiness in being a part of the WED initiative.

In order to add a fun element to our awareness initiatives, we had conducted an Inter-house 'Best Out of Waste' competition. The team members were asked to be as creative as they can using everyday hotel products to create new products through the process of upcycling. The team members had to create and pitch the utility of their final products and explain its practical application.

In addition to the above initiatives, Team Trident, Chennai also visited the SOS Children's Village, Tambaram with the aim to create awareness amongst the young children about the World Environment Day and its importance. Saplings were taken to the village and children were urged to plant them and were briefed about the importance of planting trees and saving the environment today for better tomorrow. A short film was telecasted showing the practical application of waste segregation in our homes and the significance of the same. We kept the children enthused with a fun game where they had to segregate everyday household items into waste bins with color coded demarcations of plastic, paper, metal and food waste. The winners were given prizes and the aim of getting the children to understand the concept of waste segregation and practically

separating them into color coded bins was also achieved. Special snacks were served to all the children.
